ENVIRON FACIALS

ENVIRON ESSENTIAL FACIAL (75min)	R670
(90min)	R820

This amazing result driven facial can treat:

- Aging Skin
- Dehydration
- Sensitive Skin
- Pigmentation/Scarring

We achieve this by using low frequency sonophoresis together with pulsed iontophoresis in combination with Environ's award winning serums specially tailored for your concern. All this combined helps to deliver more of what the skin needs to where it needs it most - making a real lasting difference to your skin, for life.

ENVIRON VITAMIN TOUCH THERAPY (60min) R510

A beautiful relaxing hands on Facial, applying antioxidant and vitamin rich serums followed by the famous Alginate mask to soothe and hydrate your skin. (1st time clients includes free skin consultation.)

ENVIRON DEEP CLEANSE (60min) R510

Perfect for Teens and young Adults to deep clean the skin. We do a double exfoliation and extractions, followed by a hydrating and soothing serum and Alginate mask.

PRE-TEEN MINI CLEANSE (45min) R320

A very basic facial, ideal for a "first time" facial for pre-teens to help cleanse the skin and explain the importance of basic skin care.

ENVIRON FOCUS-ON TREATMENTS (30mins) R310

Quick lunch time facial or increase your results by doing this in between your monthly facials. Specially developed to target specific areas such as the

- Frown lines
- Eye area
- Scarring
- Pigmentation spots

using Environs revolutionary dual electro-sonic DF technology, ensuring that your primary skin care concerns are directly addressed.

MICRONEEDLING/ COLLAGEN INDUCTION THERAPY

This treatment encourages your skins natural healing process and increases the Collagen and Elastin production. It's effective in improving wrinkles and fine lines, minimizing pore size, sun damage, acne, scarring, stretch marks, uneven skin tone/ pigmentation. Microneedling is suitable for all areas of the face and body. This treatment involves numbing the skin prior to the needling process.

Full Face (60 min)	R1150
Full Face & Neck (75 min)	R1300
Full Face, Neck & Décolleté (90 min)	R1440
Spot Treatment (45 min)	R600
- A minimum of 3-6 treatments are required, 4 -6 weeks apart for best results.	
- Scar may need more time.	
- Packages available on request.	

NANONEEDLING R850

A small version of Microneedling. No numbing is required, no redness or pain. This treatment creates channels in the skin for the best delivery of active ingredients to help with improving wrinkles and fine lines, minimizing pore size, acne scars and uneven skin tone/pigmentation.
